# Pasco County Schools

Kurt S. Browning, Superintendent of Schools  
7227 Land'O'Lakes Boulevard • Land'O'Lakes, Florida 34638

September 21, 2020

Dear Parent,

This year, Pasco County Schools will participate in the Gallup Student Poll. The Poll gives students a voice in building great schools, and results provide schools with important, actionable information beyond standard measures, such as grades and test scores, to help schools make kids ready for the future.

Students in grades 5 through 12 will be invited to participate in the Gallup Student Poll during the survey window of September 28 through October 26. This survey will be taken during school hours and will take approximately 10 minutes for your student to complete. It is available in both English and Spanish. This survey is anonymous and voluntary. That means that Gallup cannot identify your student, and your student's individual responses will not be shared with anyone. Students do not have to participate if they do not want to, and they may skip any item they do not wish to answer. There are no consequences or penalties if your student does not participate.

The Gallup Student Poll covers the following themes:

- Engagement: Students' involvement and enthusiasm for school.
- Hope: The ideas and energy students have for the future.
- Belonging: Feeling accepted and included as part of the school.
- Social and emotional learning: How people learn to understand and manage emotions and establish positive relationships with others.

Once the survey window closes, Gallup will then aggregate and analyze the results. Each participating school and district will receive a scorecard.

Additional information, such as the survey items, can be viewed by visiting our Office for Accountability, Research, and Measurement's Gallup Student Poll Parent Resource page, <http://www.pasco.k12.fl.us/arm/page/student-gallup-poll-parent-resources>.

If you have any questions, please call the Office for Accountability, Research, and Measurement at 813-794-2343, 727-774-2343, or 352-524-2343.

Sincerely,

Kurt S. Browning

## Escuelas del Condado de Pasco

Kurt S. Browning, Superintendente de Escuelas  
7227 Land O'Lakes Boulevard, Land O'Lakes, Florida 34638

21 de septiembre de 2020

Estimados padres:

Este año, las Escuelas del Condado de Pasco participarán en la encuesta de estudiantes de Gallup. La encuesta da a los estudiantes una voz en la construcción de excelentes escuelas, y los resultados brindan a las escuelas información importante y útil más allá de las medidas estándar, como calificaciones y puntajes de exámenes, para ayudar a las escuelas a preparar a los niños para el futuro.

Se invitará a los estudiantes en los grados 5 al 12 a participar en la Encuesta de Estudiantes de Gallup solo del 28 de septiembre al 26 de octubre. Esta encuesta se tomará durante el horario escolar y su estudiante tardará aproximadamente 10 minutos en completarla. Está disponible en inglés y español. Esta encuesta es anónima y voluntaria. Eso significa que Gallup no puede identificar a su estudiante y las respuestas individuales de su estudiante no se compartirán con nadie. Los estudiantes no tienen que participar si no quieren y pueden saltarse cualquier punto que no deseen responder. No hay consecuencias ni sanciones si su estudiante no participa.

La encuesta de estudiantes de Gallup cubre los siguientes temas:

- Participación: La participación y entusiasmo del estudiante por la escuela.
- Esperanza: las ideas y la energía que los estudiantes tienen para el futuro.
- Pertenencia: Sentirse aceptado e incluido como parte de la escuela.
- Aprendizaje social y emocional: cómo las personas aprenden a comprender y manejar las emociones y a establecer relaciones positivas con los demás.

Una vez cierre el período de la encuesta, Gallup colectará y analizará los resultados. Cada escuela y distrito participante recibirá una tarjeta de puntuación.

Puede encontrar información adicional sobre esta encuesta, incluyendo las preguntas que los estudiantes estarán respondiendo, en <http://www.pasco.k12.fl.us/arm/page/student-gallup-poll-parent-resources>.

Si tiene cualquier pregunta, comuníquese con la Oficina de Responsabilidad, Investigación y Medición al 813-794-2343, 727-774-2343, o 352-524-2343.

Atentamente,

Kurt S. Browning  
Superintendente de Escuelas
