

February 15-19

Our school is proudly participating in The Great Kindness Challenge, a week-long program dedicated to creating a culture of kindness and compassion in communities worldwide.

This past year has been challenging for our school community, so we are extra excited to participate in this uplifting week of positivity.

To help our students “practice kindness” and put their compassion into action, they will receive a Great Kindness Challenge checklist.

We will encourage all students to complete as many acts of kindness as possible at school and we hope you will celebrate them from home!

Together, we will lift each other up, cheer each other on and show the world that **KINDNESS MATTERS!**
