

# **SUNRAY ELEMENTARY SCHOOL SPRING PICTURES Wednesday, March 3, 2021**

In order to assure the smoothest picture day, only those students purchasing individual pictures will be photographed.

All students should have their prepaid envelopes before they leave the classroom for their picture. Photographer doesn't carry cash please make sure you provide the exact amount in your envelope per child.

We will also have an opportunity for our online students to be photographed. Picture day for them will start at 2:30 pm and end at 3:30 pm. Once again please make sure to submit your order online. If you need a form, please download or stop by the front office prior to the day to obtain a paper form.

Online students will use the car loop area to drop off students and wait for them to be photographed. A staff member will pick them up from the car loop and take them to the media center. Parents must stay in their vehicle and wait for the student to come back.
