

SRES Dismissal Procedures
2022-23
Dismissal Begins at 3:20 pm

All students and teachers will remain in their classrooms until called for dismissal over the PA. **DO NOT** release any students at the bell. **It is important for all students to remain at a Level 0 throughout dismissal in order to hear all announcements.**

Car Riders: Kindergarten students will be escorted to the car loop by an IA at 3:20. When called, 1st-5th grade students will walk to the car loop using the designated sidewalk (media side).

Car tags must be hung on the rearview mirror and be visible to staff during loading. Once the student has loaded, please removed the car tag from the rearview mirror and wait direction to exit the loop.

Bus Riders & Daycare Vans: Bus riders and daycare van riders will wait in the classroom until their bus is called over the PA system. Students will walk to the bus loop using the designated bus sidewalk (cafeteria side) and immediately load their bus.

All bus riders must have a bus tag on their backpack. Tags will be attached on the first day of school. Please do not remove these tags.

Attendance will be taken when loading buses for the first 10 days of school. This process takes additional time and may cause buses to leave the school later than 3:30 pm. We anticipate that buses will leave campus at 3:30 pm after the first 10 days.

Walkers: Walkers will be called over the PA system. Students will meet the designated staff member (Mrs. J. Gorman/Broadwater) at the front of the school and will walk to the gate together as a group. All walkers must have a tag on their backpack indicating that they are a walker. Parents must have the matching tag in order for students to be released to them.
